January, 2024

Dear Business Partners

Exhibit at the SMART GRID EXPO 2024

We are pleased to announce that we will be exhibiting at the SMART GRID EXPO 2024, which will be held from Feb. 28 (Wed) to Mar. 1 (Fri), 2024.

We will be introducing our "PV Cloud System".

We are confident that you will be convinced of the benefits of introducing the PV Cloud System by actually experiencing the "Power Generation Simulation" and "Self-Consumption Simulation" to measure the effects of introducing renewable energy and reducing CO2 emissions and electricity costs at our booth. We look forward to welcoming you.

Date: Feb. 28 (Wed) - Mar. 1 (Fri), 2024.

Opening Hours: Feb. 28 (Wed) & Feb. 29 (Thu) 10:00 - 18:00,

March 1 (Fri) 10:00 - 17:00

Venue: East Hall 6, Tokyo Big Sight, Japan.

Booth No.: E44-16
